807 *Washington Entertainment, request to hold "Ribs RNB Music Festival" at Hart Plaza on August 8-11, 2019 from 11:30 am to 11:30 pm*

WASHINGTON ENTERTAINMENT

Hello,

My name is Johnnie Washington. I am the producer of Rib's RNB Music Festival which has taken place at Hart Plaza in Downtown Detroit for the past 19 years. I'm proud to say we have become Midwest largest Rib Fest and voted #1 BBQ festival in the Midwest 2016 by Everfest! People come from all over the State of Michigan and the great City of Detroit. They come from near and far Atlanta, Florida, and Chicago just to name a few. Rib's RNB Music Festival will take place August 9-11, 2019 at Hart Plaza. With the best BBQ this side of the "Mississippi" Great food, business vendors, shopping for the family from art to fashion and more. With acts like DUR HILL, KEITH WASHINGTON, CHRISSETT MICHELL 2018 Regina Belle, Con Funk Son, Chante Moore, Temptation and so many more international and national artist that's performed over the year 2019 will be just as star studded and exciting. We will keep the same outline as years past to help offset the high cost it takes to produce this world class event. Due to a conflict of interest in 2016 with another food event and close in name from our past events, we're asking that know food festival or with likeness of our name and brand current and past,

(Ribs N Soul, Ribs RnB Music Festival) Should not be allowed to take place 45 day before our said dates and 30 days after. This will help offset and avoid confusion in marketing from radio, TV, new ads, and send a clear message on events at Hart Plaza.

Our event will remain free until 5pm on Friday and free Saturday and Sunday until 2:00 p.m.. Bowl seating free all day Friday, free Saturday and Sunday until 5:00 p.m. \$5:00 to \$10.00 depending on acts. We will also offer VIP seating on Saturday and Sunday near main stage for \$25.00 or \$45.00 daily and \$75.00 for full VIP weekend pass. Our commitment to world class entertainment has not changed. We are also excited this will be our third year featuring our Detroit Paradise Valley Stage! This stage will highlight Detroit's best in gospel and jazz artists! With our continued support from the great City of Detroit and Detroit Parks and Rec. 2019 will be another banner year for our community.

Thank you.

All other involved City departments and privately owned utility companies have reported no objections to the vacation. Provisions protecting the rights of the utilities and the City are a part of this resolution.

BY COUNCIL PRESIDENT BRENDA JONES

**RESOLUTION TO DECLARE MAY 2019 AS BRAIN TUMOR AWARENESS MONTH
IN THE CITY OF DETROIT**

WHEREAS, Brain Tumors, specifically Glioblastoma, have become recognized in recent years as one of the deadliest cancers; and

WHEREAS, There are an estimated 760 new diagnoses of brain tumors in Michigan in 2019, and an estimated 600 Michigan residents will die from a brain tumor in 2019. Brain tumors can be deadly and can severely impact the quality of life of those fortunate enough to survive this disease. Brain cancer continues to be the leading cause of cancer deaths among children and young adults; and

WHEREAS, Brain tumors have the highest per-patient initial cost of care for any cancer group with an annualized mean net cost of care in 2010 US dollars at well over \$100,000; and

WHEREAS, More than any other cancer, brain tumors can have lasting and life-altering physical, cognitive, and psychological impacts on a patient's life.

WHEREAS, The state of Michigan has attained national recognition as a leading center of excellence in the field of brain tumor treatment and research as a result of the number of patients traveling to Michigan for clinical trial participation, grant dollars locally used to create jobs, and professionals specializing in brain tumors across the state; and

WHEREAS, Detroit is proud to be home to high level brain cancer centers such as the Hermelin Brain Tumor Center, Children's Hospital of Michigan and others. We encourage Detroit residents to continue to be vigilant and proactive when it comes to their healthcare; and

WHEREAS, Despite the numbers of brain tumors diagnosed annually, and their devastating prognosis, there have only been four (4) FDA approved drugs and one device to treat brain tumors in the past thirty years; and

WHEREAS, To date, there have been no drugs developed and approved specifically for malignant pediatric brain tumors. The four FDA approved drugs for brain tumors have provided only incremental improvements to patient survival, and mortality rates have remained relatively unchanged over the past 30 years; **NOW, THEREFORE, BE IT**

RESOLVED, That the Detroit City Council designates May 2019 as Brain Tumor Awareness Month in the city of Detroit.
